Winter Show Fair Booth - 2011

The LLL Booth at the Winter Show will be in the south exhibit building, hopefully the same location as last year. The booth is to be ready for viewing by noon on Friday, March 4th. Bill will take care of this and if anyone would like to join him he would appreciate having more people there with him.

Other times that volunteers are needed will be Saturday, March 5th, starting at 9AM until 7PM.

On Sunday, March 6th, the booth opens at 11AM and closes at 5PM.

Bill will be there by 5 to help take down the booth.

It is always nice to volunteer in 2-3 hour shifts. It works better with 3-4 volunteers, if possible for each shift. That way you can take a break, eat, and walk around to see the other booths.

It is not a hard job. Some people will gladly talk with you, but others will just sign up for the drawing and move on. Others will look at booklets and take some and really don't want to talk so it's best to just let them lead as to what they want to share.

Project Connect booklets have been purchased, plus other supplies for children. These materials are always the big draw for most people. Then often they will take some adult items also. There will be three prizes for adults and also three children's prizes.

One name is drawn each day for an adult and a child at closing time. These names and the slips of paper are entered in the notebook that will be with extra supplies under the table.

If you are interested in helping at the booth, please choose the times you can volunteer and let Bill Rahlf know. The sooner the better is helpful. Bill can be reached, via telephone, mail or email. You can also talk with him here at the Convention in Jamestown.

Thanks in advance for giving of your time to help out with this project of the ND District LLL.

The Annual ND District Men's Winter Retreat will be held Friday and Saturday, February 4 & 5, 2011, at Shepherd's Hill at the Crossroads, near St. John, ND. This event offers men an excellent opportunity for Christian fellowship and growth. Scripture-based study, discussions, singing, games, etc. offer a variety of experiences in a beautiful wooded, rustic setting. In past retreats, men have been very positive about what happens as they gather to enjoy, grow, learn, and serve their Lord and others. At this writing, the presenter and topic has not been finalized. Please watch for up-coming information. For questions and/or ideas, call Myrlyn at 701-272-6314 or email him at mshall@srt.com.

PRISON MINISTRIES

There are 3 more opportunities to be a part of these retreats. If you have not already attended one and are interested you must register 3 months before the scheduled date so background checks can be done.

NORTH DAKOTA DISASTER RESPONSE

One of our new mission congregations in North Dakota, Holy Cross Lutheran in Bismarck, is in the process of purchasing a building for a worship location. The North Dakota LLL wanted to keep you informed of some of the progress, as we consider assisting them with remodeling on the church. Just for your information, it sounds like there may be some light work that can be done around the middle of January. However, any heavy duty remodeling of the church probably will not start until the first of March.

We have also been informed by Minnesota North that there will be some opportunities to work at Wadena this Spring. This is still after effects from the Tornado which hit there last summer. There will be clean-up, fence repairs, and other work to be done. If you are interested in being involved in any of these projects, please contact Kirk Rosin at krosin@juno.com. We will keep you updated as plans develop over time.

Important IRA Legislation Just Passed! Donors 70½ and Older Eligible for Tax-free Gift Opportunity

St. Louis, MO, Dec. 20, 2010 — Congress has extended legislation that allows donors ages 70½ and older to gift up to \$100,000 from their IRAs to charity. It's easy to make a gift by directing your custodian to transfer a portion of your required minimum distribution directly to charity. The gift is not counted as part of your taxable income, so it is tax-free!

The new law extends legislation for 2010 and 2011. Also, because of how late the bill was passed, IRA gifts made through Jan. 31, 2011 can be treated like they were made in 2010—applied to the 2010 required minimum distribution, the 2010 tax year, and the \$100,000 limit for 2010.

Here is a brief summary of the details:

- Your gift can be any amount up to \$100,000.
- Your gift can count toward your minimum distribution.
- You must be age 70½ or older.
- You must make a direct rollover, not a personal distribution.
- You must make the gift before Jan. 31, 2011 to apply it to the 2010 tax year.
- Your gift will go to work immediately proclaiming the Gospel of Jesus Christ.

For more information, talk to your financial advisor or contact Lutheran Hour Ministries' Ministry Advancement staff at 1-877-333-1963. Download instructions and a request letter you can use to make your IRA gift here:

UPDATE FROM KENYA

Dear Brethren of North Dakota,

Greetings in the name of the Lord Jesus Whose Birth we are celebrating this Season.

I still cherish very warm memories of my time with you over the summer and I thank God always for your hospitality and your love in some of your homes.

On behalf the NURU LHM Family here in Kenya I would like to wish you all a very warm and happy new year from Warm Nairobi. I say thank you very much for the generous gift that you continue to send to LHM and Kenya. Once more your message of Love, all the way across the Globe in North America has been God's way to encourage us as we reach out to the unreached around us.

This year we have continued to reach out to the prisoners and all the target groups that we have been focusing on. However I would like to share about a particular Community the Lord introduced us to, first through prison ministry. These are the Duruma people of the South Coast area. They are part of the Miji Kenda (Nine homesteads) community that is settled on Kenya's Coast. It is the intermarriage of this community with the Arabs over centuries that gave us the Swahili language. The surprising thing is that of all their brethren this particular community resisted Islam and only 10% are Muslims. Today over 50% are Pagans and Only 20% are Christians. Please pray with us as we work with the first Lutheran Duruma Pastor ordained last month. The area also has some of the highest poverty levels in the country.

We pray that it will be possible soon to host teams of North Dakota Lutherans in mission trips. (Too bad that the Mission bus cannot be ferried here as well.) I pray that hopefully one day we will actually be able to take a team down to the South coast to meet the hospitable Duruma people.

We pray for you all happiness this new year, from warm Kenya, as we are once more reminded by the Angels that it is truly Joy to all people on earth.

God bless
John and Connie.
